February 2021 Club Newsletter

Letter from the Editor

Fellow BCSC members:

Well we're able to do inside events now with up to 25 people, as long as we take COVID precautions. So I hope to see you all out at the range as the weather continues to improve and indoor events resume.

Check out the calendar for events happening this month, and I also encourage you to take a look at the classified ads, as we just added some new entries. It's FREE to list, so if you have an item, send it my way.

As always, if you have a story, activity, or anything you'd like to see in the next newsletter, drop me a line at ceanburgeson@gmail.com.

Best regards,
Cean Burgeson

(PLUS IN-PERSON FIELD DAY)

Hunter education is currently available as an online course. After successfully completing an online course, a student is required to attend the in-person field day to receive their hunter education safety certificate.

Due to COVID-19, eligible hunter education students will be allowed to purchase a Michigan hunting license through June 1, 2021 – prior to completing the required field day.

To be eligible for a temporary hunter education safety certificate, online students must meet one of the following criteria:

1. Started the program on or after Sept. 10, 2019 and complete it by June 1, 2021.
2. Already completed the online program but have yet to complete a field day.

Eligible students will be able to print their temporary certificates from their online Kalkomey student portal (Kalkomey Enterprises, LLC is the DNR's online recreation education provider).

Students need to present their temporary certificates when purchasing licenses.

Anyone who receives a temporary hunter education safety certificate will be required to complete a field day by June 1, 2021, or within 12 months of completing the online course – whichever date comes later – to receive their permanent hunter education safety certificate.

Field days are currently being offered – students are encouraged to complete a field day as soon as possible. For more information, surf to: https://www.michigan.gov/dnr/0,4570,7-350-79119_79147_81282---,00.html
