September 2020 Club Newsletter

Letter from the Editor

Fellow BCSC members:

It's almost Fall, which means hunting season is right around the corner. That also means its time to come shoot some trap, skeet or sporting clays to get ready for upland bird hunting or duck hunting, and also time to start practicing with the rifle or bow for the upcoming deer hunting season -- or come on out and shoot just for fun!

Remember that you can advertise in this newsletter for FREE. If you have some old gear in the garage or basement that you want to get rid of and make a little cash, just send me a note and I'll post your items for you. I'm sure there are some members who are looking for a new pistol, shotgun or rifle.

I'd like to welcome Adam Hebner as our new Trap and Skeet coordinator. Information on the Tuesday and Sunday shoots can be found below, along with his contact information. I'm also extending a warm welcome to our new board member, Stephen Breitkrevz.

As always, if you have a story, activity, or anything you'd like to see in the next newsletter, drop me a line at editor@bcsportsmansclub.com.

Best regards,
Cean Burgeson

ATTENTION - Club Elections

The BCSC Elections for club Officers and Board of Directors will be held on Dec. 5, 2020. The Executive Board and Annual meeting will also take place that evening. Depending on the Covid 19 orders from our Governor, I will have to determine the extent of the activities that will take place.

We do have some responsibilities to take care of, per our Club Bylaws, during that meeting. I will monitor those executive orders and keep you informed. Please continue to look for further articles and announcements on the website. If you have any concerns or questions, you may contact me at (269) 927-1793.

NOTICE:

September CMP Shoot

Well, on Aug. 22 a 200-yard shoot was held at the club, and we had four shooters. Each shooter had enough time to shoot two rounds. Jim Wojcik shot an "X" at 200 yards, so hats off to Jim. Jim was using a .223 caliber. We did have a shooter that exercised his option to help his fellow shooter by putting a couple of shots in the wrong target (that would be me.) We had a shooter that used a 30 carbine without a scope, and for those of you who have ever used a 30 cal. carbine, it is possible to hit a target at 200 yards. We will schedule a 200-yard shoot again next year.

With the COVID-19 restrictions, we could not have a shoot this year until July, and in August we had a Poker Shoot. At that shoot, we asked the shooters what they wanted to shoot in September, and the choice was a CMP Shoot, so we will have a CMP shoot on Sept. 13.

The club guns will be available for this shoot at a cost of \$50, which covers ammunition. If you bring your own gun and ammunition, the cost will be \$10. You will need 52 rounds of ammunition; we will shoot from the prone, seated, and off hand position (for those who are able.) There are three ten-round volleys and one twenty-round volley, and two rounds as sighting rounds. We will be shooting from a hundred yards.

The shoot will start at 8 am. Please bring the proper change, as I do not carry much change for twenty dollar bills. I hope to see you there. If you have any questions or need further information call Gene Herrman at (269) 465-5026. See you there.

Below are the dates for the 2020 CMP program at Berrien County Sportsman's Club. All shoots this coming year that are on Sundays will start at 8 a.m. on the rifle range.

Please note that all shoots are on the second Sunday of the month, except for October shoot, which will be on the first Sunday.

For questions, call Gene Herrman (269) 465-5026.

Sept. 13, 2020 - CMP Shoot
Oct. 4, 2020 - Military Bolt Shoot

CAMPGROUND LOTS AVAILABLE

Several lots in the Berrien County Sportsman's Club Campground are now available. The lots have electricity and campers have access to running water and toilets. The campground offers a dump station. The vacancies will be filled on a first-come-first-served basis. The cost is \$100 per month or \$1,200 per year. To reserve the open lot, or for more information, call Les Herrman at (269) 429-9963 or (269) 449-9962 and talk to the machine. He will get back to you in the order that calls come in. Please leave a valid phone number.
